## MCS Foundation Orientation Day

Dear Foundation Members,

On behalf of the Maryknoll Foundation, I would like to express my heartfelt thanks to all of you who have taken the time to join our Orientation Day last Saturday. As part of the drive to engage our members, in particular, for the Maryknoll Foundation to know you better and, also, for all you to have a better and deeper understanding the Maryknoll Foundation, we organized the inaugural Orientation Day. Out of our more than 700 Foundation members, over [100 of you] attended the event; the overwhelming responses were beyond our expectation. We are extremely grateful for all of your participation.

As mentioned during my opening remarks, Maryknoll Convent School is an aided school and will remain as one as it is in the core values of the Maryknoll Sisters to start the School with the aspiration to provide an all rounded quality education that is affordable to all. However, as an aided School, we have limited resources provided by the Hong Kong Government. Your support, commitment, dedication and professionalism provide the Maryknoll Foundation with the much needed resources to sustain our continuous success [and that of the Maryknoll Convent School]. We hope you are willing to serve and contribute to the alma mater.

After participating in our Orientation Day, we hope you have gained a much better understanding of the Foundation and, more importantly, how better you may be able to serve us.

The Orientation Day is only the first step in our “Long March”; a beginning but not the end. Our Council members will consider the information you have provided in order for us to reach out and engage you further in our various initiatives and projects going forward.

We hope to see you again in our next gathering! Until then, please stay connected with us!
